WORK EXPERIENCE

Frontend Developer (Angular, Ts)

03.2026 – Present

Astana International Exchange · Kazakhstan's leading stock and securities exchange platform

- Refactored legacy frontend codebase, reducing critical bug rate and improving long-term maintainability
- Created internal notification service

Full Stack Developer (React, Js, Python, FastAPI)

09.2023 – 03.2026

JSC National Information Technologies (NIT) · State-owned IT company, key digital infrastructure provider in Kazakhstan

- Developed CRM and WFM modules for a large-scale national call center, integrated with the AITU super app
- Automated reporting pipeline, cutting report submission time from 4 hours to a single click
- Designed and launched an analytics dashboard for real-time tracking of contract KPI fulfillment across departments
- Decomposed a monolithic legacy system into microservices, improving deployment independence and scalability
- Reduced onboarding friction by rewriting internal management regulations aligned with new technical architecture

Analyst-Developer (Internship)

03.2024 – 07.2024

Bilim Media Group UpSkill · Leading Kazakh educational media and e-learning platform

- **Automated** article data extraction and analysis pipeline in Python, cutting manual research time for the analytics team
- **Identified** critical data inconsistencies across internal datasets and delivered structured reports to stakeholders

Programming Instructor at ProgKids

11.2024 – 07.2025

- **Taught** Python, Java, and Unity game development to 15–19 year-old students across multiple class groups
- **Authored** course methodologies and lesson plans adopted as standard curriculum across the school

NOTABLE PROJECTS

Samsung Innovation Campus — Android Game

2024

- Built a mobile game in Java (libGDX/ECS) that ranked 1st among 100+ participants across Kazakhstan

EDUCATION

Bachelor of Science — Software Engineering, minor in Finance

2022 – 2025

Astana IT University · Top technical university in Kazakhstan

GPA: 3.6 / 4.0 · Honors Diploma (Red Diploma)
